Gate Anian

Gate - Archy Bois

Available as hinged and sliding gate

Composed of 38 x 38 mm Red cedar battens and an aluminium frame, this new gate can be customised to suit your desires. The variable spacing between the battens and the occulting panel allows you to control your privacy and the design of your entrance. Red cedar is a reliable material that is weather-resistant and does not warp when exposed to heat, making it the wood of choice for outdoor use.
