

Manufactured from 38 x 38 mm Red cedar battens and featuring an Aluminium Frame with occulting sheet, this new gate can be adapted to suit your preferences. The variation in spacing between the battens and the occulting panel allows you to customise both the privacy and design of your entrance. Red cedar is a robust material that is weather-resistant and does not warp in the heat, making it the wood tone of choice for outdoor use.

### WOOD ESSENCE : RED CEDAR
