

This openwork aluminium pedestrian gate features solid yet minimalist lines with its 160 mm Aluminium slats. In Breton, Maez means "outside", which is symbolic as it will accompany your outdoor life with simplicity and efficiency. Although openwork, it will still preserve your privacy, as the gap between its horizontal slats can be adjusted from 8 to 30 mm (the choice is yours), providing sufficient privacy!

25 STANDARD COLORS AND MORE THAN 300 OPTIONAL
