

The collaboration between Cadiou and Cutter Design continues. After designing youthful, urban designs for our gates, fences and guardrails, Gabrielle Roubas has turned her attention this year to a brand new design. **A tricolour design!** Her design was initially conceived to fit in with our product innovations. We have recently developed **multi-colours designs**, and what better way to showcase this new feature than with **the bird of paradise** and its colourful plumage?

+ 300 COLORS AT NO EXTRA COST

MAIN CHARACTERISTICS

Material : Architect Aluminium
Privacy level : Solid
Top shape : Straight
Max dimension swing : 4750 x 2000 mm
Max dimension sliding : 4750 x 2250 mm
