

The collaboration between Cadiou and Cutter Design continues. After designing youthful, urban designs for our gates, fences and guardrails, Gabrielle Roubas has turned her attention this year to a brand new design. A tricolour design! Her design was initially conceived to fit in with our product innovations. We have recently developed multi-colours designs, and what better way to showcase this new feature than with the bird of paradise and its colourful plumage?

300 STANDARD COLORS

MAIN CHARACTERISTICS

- Material :** Architect Aluminium
- Privacy level :** Solid
- Top shape :** Straight
- Max dimension swing :** 4750 x 2000 mm
- Max dimension sliding :** 4750 x 2250 mm
