

KOSTUM

Gate Toullan

Gate - Cosy
Available as hinged and sliding gate

Bring dynamism to your entrance! The Toullan gate offers a beautiful optical illusion thanks to its diagonal crossbars that give an impression of movement. Half-boarded, it allows you to define your entrance without completely partitioning it off, thanks to the contrast between fully boarded slats and openwork slats. A good way to maintain a connection with the outside world while ensuring your privacy.

25 STANDARD COLORS AND MORE THAN 300 OPTIONAL
