

The Tub pedestrian gate, an invitation to subtle elegance and assured robustness. Designed from 25x25 openwork tubes, this gate offers a light appearance while maintaining unshakeable solidity, a promise we are keen to offer you. The 10mm spacing between the tubes allows light to filter through delicately, while its fine lines give the pedestrian gate an authentic yet modern set of aesthetics that blends harmoniously with any style. Choose a successful fusion of functionality and design with the Tub pedestrian gate.
